### **ORIGINAL VS REPLACEMENT PARTS**

1. Original parts like axles and couplers – original axles and couplers from the original manufacturer will always be supplied unless otherwise agreed upon.
2. Replacements parts like brake shoes, grease caps, bearings, shocks, brake cables, hubs, drums and other replacement parts – we reserve the right to replace with another brand, equal in quality, if deemed necessary without advising the client.
3. Please be advised that although we always strive to have the latest product pictures available on our website, the final product might in some instances differ slightly.
